Using the tables provided:

Keighley	09:30	10:00	10:30	11:00	11:30
Ingrow	09:35	10:05	10:35	11:05	11:35
Damems	09:38	10:08	10:38	-	11:38
Oakworth	-	10:12	-	11:12	-
Haworth	09:45	-	10:45	11:16	11:44
Oxenhope	09:55	10:25	10:55	11:26	11:54

Oxenhope	09:30	10:00	10:30	11:00	11:30
Haworth	09:40	10:10	10:40	-	11:40
Oakworth	-	10:13	-	11:13	-
Damems	09:46	10:17	10:47	11:17	11:47
Ingrow	09:49	10:21	10:50	11:21	-
Keighley	09:54	10:26	10:55	11:26	11:54

- a) What time does the first bus to Oxenhope leave Keighley?
- b) What time does the 2nd bus to Keighley leave Oakworth?
- c) What time does the last bus leave Damems on it's way to Oxenhope?
- d) What time does the 10:10 from Haworth arrive at Keighley?
- e) If your bus arrives in Haworth at 11:16, what time did your bus leave if you set off from Keighley?
- f) How many buses heading for Keighley arrive before 11:00?
- g) What is latest bus you can catch from Ingrow to get to Keighley before 11:00?
- h) How long does it take the 10:10 bus from Haworth to get to Damems?
- i) If you arrive at Keighley bus station at 10:05, how long do you need to wait for the next bus to Oakworth?
- j) If you take a return trip from Oakworth to Oxenhope, what is the earliest time you can return to Oakworth?

Exam question:

- a) Where did you catch a bus from if your journey time was 16 minutes and you got off at Keighley at 10:26?
- b) Joe catches the first bus from Keighley. He spends at least 1 hour in Oxenhope before catching the first available bus to Haworth, what time is his bus to Haworth due to arrive?
