

Name: _____

- a) Tim wants to find out the types of film people like best. He is going to ask whether they like action, drama, musicals or science fiction films best.

Design a suitable table for a data collection sheet he could use to collect this information.

- b) Gary wants to find out how much time people spend listening to music.

Design a suitable table for a data collection sheet he could use to collect this information.

- c) Paul wants to find out how much time people spend playing sport.

He uses this question on a questionnaire. Write down two things wrong with this question.

How much time do you spend playing sport 1 – 2 hours 2 - 3 hours 3 – 4 hours

1. _____

2. _____

Design a better question for Paul's questionnaire to find out how much time people spend playing sport.

-  Cyril wants to find out how much people spend on family Christmas presents.

Design a question for his questionnaire to find out how much people spend on Christmas presents for their family each year.

Include any response boxes.
